ARTICLE II
LICENSE REQUIREMENT

Section 201. No person shall engage or continue in the activity of junk dealer, or operate and maintain a junk yard, within the Township of South Beaver without first having obtained an annual license therefor from the Township of South Beaver, for which license the fee in accordance to the license fee schedule hereinafter set forth, as to initial issuance or renewal of the license, shall be paid to the Township for the use of the Township. Such license may and shall be renewed annually by any licensee, including a licensee for a non-expanded operation of a junk yard, on or before the first day of January of each year by renewal application submitted to the Township not later than the last business day of the month of October of the preceding calendar year of the calendar year for which such renewal of the license is desired and requested.

Section 202. The license required and provided for by this Ordinance shall be applied for unto the Township upon written application made by the person desiring to be licensed, which written application shall be upon and in such form provided by the Township. Such application shall at a minimum require the legal name of the applicant, address and telephone number of the applicant, signify the nature of the license being requested, whether for initial issuance, renewal of existing license without expansion of area of junk yard, or renewal of existing license with request for licensing of expansion of the area of operation thereof, and if for a junk yard, the nature or classification and/or classifications of junk yard desired to be operated or expanded, and the location and specific physical attributes of the premises upon which the junk yard is desired to be operated or continued to be operated upon. The Board of Supervisors may in its discretion require the applicant to submit and provide such other data or information as the Board of Supervisors may in its sole discretion deem pertinent to the application, including but not limited to performance history or experience of the applicant in the nature of activity desired to be licensed, survey and/or topography data as to the premises

requested to be licensed as a junk yard, and/or environmental data as to water and/or other natural accoutrements of the premises desired to be licensed or premises nearby.

Section 203. The application for a license shall be submitted to the Township together with the required fee or fees. Upon receipt of the application for initial issuance of a license for a junk dealer, junk yard or renewal of a license with expansion of operation area of a junk yard, or recyclable drop-off center, the Board of Supervisors of the Township shall approve issuance or deny issuance of the license within ninety-one (91) days of the occurrence of the second Tuesday of the month following the date on which the Township in fact physically receives such application fully completed and verified by the applicant, and accompanied with the required fee or fees. Upon receipt of the application for renewal issuance of a license for a junk dealer, junk yard without expansion of operation area of the junk yard, or recyclable drop-off center, the Board of Supervisors of the Township shall approve issuance or deny issuance of the license as to the subject renewal application not sooner than thirty-one (31) days of the occurrence of the second Tuesday of the month following the date on which the Township in fact physically receives such application fully completed and verified by the applicant, and accompanied with the required fee or fees, nor later then the Board of Supervisors last meeting held for conduction of general business of the Township in the month of December of the preceding year of the license renewal requested. At the written request of the applicant for a license or licenses, such time period for consideration of approval or denial of the application may be extended by the consent of the Board of Supervisors, and if such extension of time is applicable to renewal of a license for a junk yard but with expansion of operation area, pending issuance or denial of an application for a license as to a junk yard with expanded area, the Board of Supervisors may issue a temporary license as to the existing area of the subject junk yard of the applicant if the extension of time delays issuance or denial of the application into the following licensing calendar year.

A. In the event the Board of Supervisors of the Township shall approve issuance of a license or licenses to an applicant, or renewal thereof, the Board of Supervisors may impose upon the license or licenses granted, and the person applying therefor, in addition to the regulations herein contained or as adopted by Resolution pursuant to the provisions of this Ordinance, such terms and conditions as the Board of Supervisors shall deem necessary in their sole discretion, taking into consideration any environmental impact concepts under the laws and regulations of the Commonwealth of Pennsylvania, the United States of America, or other Ordinances or regulations of the Township (including but not limited to building permit, driveway permits, an/or on-lot sewage permit), the suitability of any site or premises requested to be licensed as a junk yard, the character of properties located nearby any premises requested to be licensed as a junk yard, and/or the general economic and aesthetic conditions and features existing within the Township. Such terms and conditions may be required to be fulfilled prior to issuance of a license approved to be issued to an applicant, or may be required to be fulfilled within a required period of time, as may be determined in the sole discretion of the Board of Supervisors, which conditions and/or requirements shall be placed in writing and given to the applicant.

B. In the event the Board of Supervisors of the Township shall disapprove issuance of a license or licenses to an applicant, either initial issuance or renewal of a previous license, the applicant shall be notified in writing of the denial of the application. Upon denial of an application, all applicant's fees shall be forfeited or paid into the Township's general fund with exception of the application fee of an application for a junk yard, which applicant's fee less Five Hundred and no/100 (\$500.00) shall be caused by the Board of Supervisors within sixty (60) days after the date of denial to be refunded to the applicant.

Section 204. Failure of a licensee to comply with the terms and conditions imposed by this Ordinance or as set and required by the Board of Supervisors pursuant to this Ordinance, shall result in immediate revocation and voiding of the license or licenses hereunder granted. Upon a license being revoked and

becoming void as to a junk dealer, collecting activity shall cease immediately. Upon a license being revoked and becoming void as to a recyclable drop-off center, collecting activity shall cease immediately and the facilities of the terminated/voided recyclable drop-off center shall be removed within four (4) calendar days. Upon a license being revoked and becoming void as to a junk yard, collecting activities shall cease immediately and the junk therein located shall be removed and properly disposed of within thirty (30) calendar days.

Section 205. Any licensee who shall not timely submit application for renewal of a license for the following calendar year, shall cease all activity within the Township as to the licensed conducted by or before the 31st day of December of the licensed calendar year, and further, as to a licensed recyclable drop-off center the facilities of same shall be removed as of said date, and as to a licensed junk yard, the junk therein located shall be removed and properly disposed of by said date.

Section 206. No license or licenses issued under this Ordinance shall be transferrable from one person to another person except when the ownership of a licensed business operation or licensed junk yard shall change. In any such case the new owner shall apply for a transfer of such license unto the new owner of the business entity and/or junk yard premises upon an application form provided by the Township, and shall pay a transfer fee per the transfer fee schedule hereinafter set forth. In the process of approval of the transfer of a license, the Board of Supervisors of the Township may impose upon the license or licenses granted, and the person applying for transfer thereof, additional terms and conditions pursuant to Subparagraph A of Section 203 as the Board of Supervisors shall deem necessary in their sole discretion.

Section 207. In conjunction with approval of issuance of a license, the Township shall issue unto the applicant an annual license placard, and/or annual license card and/or sticker in such number as necessary. Such license placard shall be posted by the licensee conspicuously upon the premises, and

the applicable license card and/or sticker shall be placed by the licensee in a conspicuous place on every vehicle used in the furtherance of the junk dealers licensed operation.

Section 208. The following license fee schedule, subject to increase or decrease by Resolution adopted by the Board of Supervisors from time to time, is and shall be applicable for each calendar year per Section 201 hereof, as follows:

ARTICLE III

Regulations

Section 301. No person or licensee shall collect, store, process, and/or dispose of junk or any discarded items in a manner in violation of the provisions of this Ordinance and the laws and regulations of the government of the United States of America or the Commonwealth of Pennsylvania, including but not limited to the Solid Waste Management Act and the Municipal Waste Planning, Recycling and Waste Reduction Act, or the Municipal Solid Waste Management Plan of the County of Beaver.

Section 302. No person or licensee shall operate or maintain a junk yard, i.e. either a Motor Vehicle/Scrap Metal Junk Yard or a Recyclable Material Center Junk Yard, or a Recyclable Drop-Off Center, in an unsanitary or unhealthful condition, and shall operate and maintain same in a safe, neat and orderly fashion, providing for, and maintaining same in such manner:

(a) As not to constitute a nuisance or a menace to the health and safety of the community generally, and/or to residents or properties nearby;

(b) As not to provide a breeding place or habitat for rodents, vermin and/or insects;

(c) As not to create threat or danger of environmental contamination to the waters, soils, and/or atmosphere;

(d) As not to permit, contain or include the dumping, collection and/or burning of garbage, refuse, rubbish or other organic waste upon the premises, and/or the emission of gases, smoke, fumes or obnoxious odors from the premises;

(e) With adequate and sufficient storage facilities, containers or bins to store and hold recyclable materials in a reasonable prudent, orderly and safe manner so as not to be scattered or strewn about by person or natural conditions;

(f) With proper and adequate supervision and inspection to assure that items being collected are not scattered or strewn about, and/or that storage facilities, containers or bins provided for recyclable materials are not filled to over-flowing capacity;

(g) With proper and adequate provision and protection to assure that water or other liquids, may not pool, collect, become stagnant, and/or that no garbage may accumulate or exist upon the premises, and/or that no other unhealthful and unsanitary condition is created;

(h) With proper provision, protection, operation and maintenance thereof to prevent contamination by any substance or item, and to prevent production and/or release into the atmosphere of foul, obnoxious and/or unpleasant gaseous substances, smoke, fumes and/or odors;

(i) As not to permit, contain or include the storage or keeping of flammable liquids or gases in a manner contrary to any and all laws, rules and regulations of the Commonwealth of Pennsylvania, and/or a safe and prudent manner, provided further however, that when any motor vehicle or other item of combustion powered equipment shall be received in or by a Motor Vehicle/Scrap Metal Junk Yard for collection and/or disposal, all fuel, including but not limited to gasoline, diesel and/or propane fuels, and all oils shall be drained and batteries removed therefrom for proper and safe storage pending timely and proper disposal of such substances;

(j) So as to prevent danger from combustion, fire, explosion or other catastrophe, and to arrange, maintain and provide for all storage of materials in such manner so as to facilities adequate access for fire-fighting equipment;

(k) So that storage of junk, i.e. recyclable material, does not constitute "disposal" per Solid Waste Management Act, being Act No. 97 of 1980, as amended, and the Municipal Waste Planning, Recycling and Waste Reduction Act, being Act No. 101 of 1988, and to this effect, that it is presumed that storage of junk in excess of one year does constitute an act of improper "disposal"; and

(l) As not to be an attractive nuisance and/or create an anti-aesthetic condition, and in conjunction therewith, shall be properly screened, fenced and/or surrounded by a planted or natural buffer area in such manner as directed and required by the Board of Supervisors pursuant to Section 203 of this Ordinance.

Section 303. Every junk dealer shall maintain and keep records as required by any and all applicable laws and regulations, and if not otherwise required by other law and regulation, a junk dealer shall maintain record or a book, in the English language, detailing description and quantity of junk received and/or purchased, and if such item is a motor vehicle, equipment and/or parts thereof, brass and/or bronze cemetery markers/monuments/flower vases the date, time and name and address of the person from whom such articles or materials were purchased or received shall be maintained in such records.

(a) Items received or purchased such as motor vehicles, equipment and or parts thereof, brass and/or bronze cemetery markers/monuments/flower vases, shall not be disposed of by a junk dealer for a period of forty-eight hours after receipt thereof, and such items shall not be altered, defaced or otherwise improperly disposed of in an improper manner.

(b) Such records or books shall be maintained for a period of not less than four years, and shall be subject at all times to inspection and review by the State Police, the Township Police or other official designated by the Township.

Section 304. No person shall place, deposit, dump or discard garbage, rubbish, or ashes in or about any Recyclable Drop-Off Center, any Motor Vehicle/Scrap Metal Junk Yard or a Recyclable Material Junk Yard, nor in violation of Ordinance No. 1 of the Township of South Beaver and/or the Beaver County Solid Waste Management Plan.

Section 305. Violation of Sections 301, 302 or 304 of this Ordinance, or any Regulation adopted by the Township pursuant to this Ordinance, or conditions made applicable to operation under any license issued, does and shall constitute a public nuisance.

ARTICLE IV

Fines, Penalties and Remedies

Section 401. Any violation of this Ordinance shall be deemed a summary offense and upon conviction thereof in a summary proceedings, a person or persons as convicted shall be sentenced to a fine of not less than One Hundred (\$100.00) Dollars nor more than One Thousand (\$1,000.00) Dollars, and costs, provided however, if the sole violation is as to Section 201, i.e. the engaging in the activity of junk dealer or operating/maintaining a junk yard, and/or operating/maintaining a recyclable drop-off center, without a license, the fine shall not exceed the sum of Six Hundred (\$600.00) Dollars, and costs, for each day of violation; and in default of payment thereof or any part of said fine and costs, to undergo imprisonment of not more than thirty (30) days. Each day a violation is continued, or each violation of a provision of this Ordinance occurring, shall be deemed a separate offense and be subject to a separate fine and imprisonment for each offense. All fines shall be collectible in accordance with the Second Class Township Code, and fines collected shall be paid to the Township.

Section 402. In addition to being subject to citation for summary offense violation of this Ordinance, the Board of Supervisors may direct instituting of a suit in equity to civilly enjoin or restrain any violation of this Ordinance and/or to abate a public nuisance as herein declared as to the conduct of any person or persons. In addition to an injunction or restraining order, the Court may impose penalties as authorized in Section 401 of this Ordinance.

ARTICLE V

Hearings and Appeals

Section 501. Any person aggrieved by the decision of the Board of Supervisors to deny the issuance of a license, initial or renewal, or by any special conditions or requirements imposed by the Board of Supervisors upon approval of an application but conditioned for the issuance of such applied for license, or upon the termination and voiding of license for reason of violation of this

Ordinance or regulations issued hereunder, may and shall have the right within thirty (30) days of the day of issuance of the Board of Supervisors decision as to denial of application, imposing of special conditions or requirements, and or terminating/voiding of a license, to request a hearing before the Board of Supervisors. Hearings as provided by this Section, and any subsequent appeal to a Court of competent jurisdiction, shall be conducted in accordance to the Local Agency Law, Act No. 53 of 1978, as now or hereafter amended.

Section 502. Any matter, conduct or activity prohibited and/or required by this Ordinance shall not be suspended as matter, conduct or activity prohibited, required or regulated by this Ordinance pending hearing and decision per the provisions of said Local Agency Law, or during processing of an appeal to a Court of competent jurisdiction, and if such is done, committed or omitted from being done by any person, same shall be and remain a violation of the provisions of this Ordinance.

ARTICLE VI

General Provisions

Section 601. Ordinance No. 6 of the Township is hereby repealed and replaced by this Ordinance, and the provisions thereof as contained therein to the extent consistent herewith shall be continued in effect to existing licensed junk yards during the calendar year. All junk dealer or junk yard licenses granted after the effective date of this Ordinance, initial or renewal, shall be governed by this Ordinance.

Section 602. If any section, paragraph, sentence or phrase of this Ordinance, or any Resolution or part thereof as adopted by the Board of Supervisors of South Beaver Township pursuant to the provisions hereof, should be declared invalid for any reason, such decision by a court of competent jurisdiction or any regulatory agency of the Commonwealth of Pennsylvania or the Federal government of the United States of America, shall not affect the remaining portions or provisions of this Ordinance, which portions and provisions shall

remain in full force and effect; for this purpose the provisions of this Ordinance, and any Resolutions adopted pursuant to the provisions hereof, the Sections, clauses, terms and/or words of same are declared to be severable.

Section 603. This Ordinance shall become effective five (5) days after enactment and adoption by the Board of Supervisors.

ENACTED AND ADOPTED this 9th day of March, 1993.
